MSRP Education "To Go"

Daily Specials

October 2007

Breakfast Special

"When the Nest Egg hatches"

Investing and withdrawing during retirement

Reaching retirement is a significant milestone. It's important to have a plan for managing your income to help make sure it lasts throughout your lifetime.

Luncheon Special

"The Sandwich Generation"

Those of the sandwich generation are caught between the obligation to care for their parents—who may be ill, unable to perform various tasks or in need of financial support—and children. Learn how the "sandwich generation" can save for retirement while taking care of their kids and parents.

Dinner Entrées

"Retirement Saving...It's a Smart Move!"

For state employees not currently enrolled, this is an enlightening seminar on the importance of saving for retirement, the power of compounding and an overview of the different MSRP plans and investment options available.

"I'm saving my money"

Retirement planning for women

Women in the labor force have different concerns and challenges than men. But what about when we retire? The issues for men and women surrounding retirement are different too. Women need to plan for these differences.

"MSRP Investment Options"

An in-depth look at the investment options in the supplemental plans and the process on selecting an appropriate portfolio for your situation.

Carry-out Special

"MSRP On-Line"
