Building wealth requires having the right information, planning and making good choices. The seminar provides **basic** information and a systematic approach to building personal wealth. It is based on time honored principles: budget to save; save and invest; control debt; and protect the wealth you accumulate. By following these principles you **can** meet your financial goals such as paying off debt, saving for retirement, putting away money for a rainy day, buying a home, and sending your child to college. *Note that this seminar is a **BASIC** overview of these topics.* We will provide websites and apps that will offer more in-depth information and tools to help you achieve your goals.

Sign-in starts at 8:45 a.m. and the seminar will end at 12:30 p.m. Each session will be limited to 50 State employees. Spouses are welcome to attend, space permitting. **Please obtain approval from your supervisor before registering.**
