Workshops

- **Are you in the “ballpark” for your retirement income needs?**

9:15–10:00 am or 12:15–1:00 pm

How much money will you need for the retirement lifestyle you envision? Will you be financially prepared for a retirement that could last over 25 years? In this session we provide you the tools to help you determine if your projected retirement income will meet your needs. Learn how to supplement your Social Security and Pension with money saved through your MSRP plans.

Brought to you by MSRP.

- **Stealing bases is a good thing...Stealing your identity is not!**

10:15–11:00 am or 1:15–2:00 pm

Identity theft is a growing crime. Attend this interactive, fun workshop to learn ways to prevent your information from being stolen and tips on what to do if you, or someone you know has been a victim of ID theft.

Brought to you by the MD CASH (Creating Assets, Savings and Hope) Campaign.

- **When the market throws you a curveball: lessons learned from the downturn**

12:00–12:45 pm

This session takes a critical look at the recent downturn and the criticisms levied at asset allocation, diversification, retirement plans, and other fundamentals of retirement investing. We look at the headlines, and then move beyond them to better understand what went right, what went wrong, and what steps retirement investors should be taking now to prepare themselves for the future.

Brought to you by T. Rowe Price.

- **Credit matters, so stay on top of your game by keeping score!**

11:15 am–12:00 pm or 2:15–3:00

This session will show you how to create your own house of financial wellness. Learn how to change your spending habits to help improve your credit report and credit score. Find out how to know when you are in credit trouble. You will be provided the resources for a budget tune up and tools to consider when trying to improve your credit situation.

Brought to you by Consumer Credit Counseling Service of MD & DE, Inc.

One-on-one sessions

While at the Expo, sign up for a private session with a Retirement Specialist. They can help you:

- Enroll in the plan
- Add/change beneficiaries
- Increase/change your contributions
- Review your account
- Select your investments
- Rollover other eligible retirement accounts to your MSRP account (bring your statements from your other accounts).
