

## **Financial Planning 101 Seminar on the Road Fall/Winter 2010**

### **Have you mapped out the road to your financial future?**

**Financial planning is the process of assessing your financial goals, taking an inventory of your money and other assets you already have to meet those goals, and determining your future needs. To help State employees understand how this process applies to them, MSRP has designed this comprehensive seminar.**

**Module 1** – Introduction – “How do I overcome the financial roadblocks that are keeping me from achieving my goals?”

**Module 2** – Insurance: Risk Management – “Do I have the proper insurance needed to protect myself, my family and my financial investments?”

**Module 3** – Investment Basics – “What should I know before I consider investing?”

**Module 4** – Understanding Taxes – “How are my earnings and investments affected by taxes?”

**Module 5** – Retirement Planning – “Am I saving enough for retirement? What are my options for saving for retirement?”

**Module 6** – Estate Planning – “How do I protect my dependents and my assets during incapacitation and death?”

**Module 7** –College Planning – “How can I afford to pay for college?”
