

# Financial Physical Seminar

## February – April of 2019

To become financially fit you need to budget to save; save and invest; control debt; and protect the wealth you accumulate. This half-day seminar is based on ***Building Wealth: A Beginner's Guide to Securing Your Financial Future***, a comprehensive workbook created by the Federal Reserve Bank of Dallas. Come learn how you can set and meet your financial goals like putting away money for a rainy day, buying a home, and sending your child to college. *Note that this seminar is a **BASIC** overview of these topics.* We will provide websites and apps that will offer more in-depth information and tools to help you improve your financial fitness.

Sign-in starts at 8:45 a.m. and the seminar will end at 12:30 p.m. Each session will be limited to 50 State employees. Spouses are welcome to attend, space permitting.

**Please obtain approval from your supervisor before registering.**
